

## THE PLAINS COMMUNITY LEAGUE TUTORING PROGRAM

### Rules for Tutoring

- 1) Respect each other --**No derogatory comments**—about the other students, the tutors, your teachers or yourself.
- 2) Respect the tutors– when a tutor asks you to do something, no back talk, just do it.
- 3) You need to bring **sufficient work** with you for the time you are at tutoring--- homework, study materials, plus a reading book if you should get done early.
- 4) Please clean up after yourself—we have many different groups using this building, so we appreciate your help in keeping the litter down.
- 5) The only phone calls allowed are to parents/guardians.
- 6) Keep cell phones and other devices in your bookbags or purses.

If you consistently violate any of these rules, and are uncooperative, you may be asked not to come back.

I have read and understand the above rules and will adhere to them.
